

KALI'UOKAPA'AKAI COLLECTIVE OBJECTIVES:

Provide opportunities and spaces to strengthen and foster relationships in our community of practice

Compile, develop, and share wahi kūpuna stewardship knowledge, practices, & initiatives

Identify, support, and grow initiatives in wahi kūpuna stewardship, management, education and research

Seed actions to increase collective impact to mālama wahi kūpuna.

Expand the realm of CRM beyond archaeology, and disperse the authority to engaged communities, kia'i, and other allies.
